

American Society of Animal Science News

The American Society of Animal Science fosters the discovery, sharing, and application of scientific knowledge concerning the responsible use of animals to enhance human life and well-being.

Visit the ASAS Publications Page

Visit the ASAS Publications Page (www.animalsciencepublications.org) for a wealth of information, including scientific publications, educational tools, web programming, abstracts from previous annual meetings, and much more!

Resources at Your Fingertips

Scientists: Find the equipment and services you need at the ASAS Animal Science Resource Directory, located at: <http://animalscienceresourcedirectory.com>.

Search the directory, or simply click on a category in the Browse Categories tab (located at the top of the webpage). Here is a list of categories that you can browse at the resource center:

- Animal Handling Equipment
- Animal Health/Monitoring
- Animal Housing and Facilities
- Animal Model Supplies
- Biosafety
- Business Services
- Consulting
- Contract Research Services
- Educational/Professional Resources
- Facility Design/Construction
- Fertility
- Laboratory Equipment/Supplies
- Sanitation/Sterilization/Disinfection
- Transportation
- Veterinary Equipment/Supplies

Animal Science Image Gallery

Have you visited the Animal Science Image Gallery lately?

Search the many categories available in the gallery and download or submit images at: <http://www.animalimagegallery.org>. Members of ASAS may download and submit images for free using their membership login. The cost to download or submit an image is \$25 for non-members.

Give \$20 in '17

ASAS has launched a campaign to support ongoing and new public policy efforts. It is called the \$20 in '17 Campaign. ASAS is asking each professional member to donate an extra \$20 in 2017. Please read more about this important effort at: [https://asas.org/foundation/\\$20-in-17](https://asas.org/foundation/$20-in-17).

Help review Translational Animal Science

New articles are added frequently to the Open Review section of Translational Animal Science (TAS). Comment on TAS articles in Open Review at: <https://www.animalsciencepublications.org/publications/tas/open-review>.

Submit articles to TAS at: <https://mc.manuscriptcentral.com/asas-tas>. Access the table of contents of the latest issue of TAS at: <https://www.animalsciencepublications.org/publications/tas/index>.

Upcoming ASAS Meetings

2018 Southern Section Meeting

3 to 6 Feb. 2018, Fort Worth, TX

2018 Midwestern Section Meeting

12 to 14 March 2018, Omaha, NE

2018 Western Section Meeting

19 to 21 June 2018, Bend, OR

2018 ASAS-CSAS Annual Meeting

8 to 12 July 2018, Vancouver, Canada

ASAS Career Center

Animal scientists work in many different fields with many different species. Learn more about careers in animal science and search resources to support your education and research. Visit the ASAS Career Center at: <http://careers.asas.org/>.

If you are an employer, attract top talent at the site. Post jobs quickly and easily, search resumes, and more at the Career Center. Open a Career Center account here: <http://careers.asas.org/employers/>
